

**Lambda Kappa Sigma**  
Elevating Women In Pharmacy

Spring 2023

Dear Preceptor,

As a Residency Program Director, or Preceptor for Advanced/Introductory Pharmacy Practice Experiences, you may have residents or students approaching you regarding time away from your programs to attend the annual Lambda Kappa Sigma Convention July 19-23rd, 2023 in Norfolk, VA. I am hoping that you will consider their requests and allow them to attend.

Sisters that attend our convention have fun, but more importantly, the majority of our convention time is spent on programming – leadership, personal development, therapeutic updates, global health issues and so much more. Our goal is to provide opportunities for growth, and to develop our future pharmacy leaders.

I certainly hope that you will consider these requests seriously. You may also find it helpful for these members to provide updates for your staff upon their return. There are always many opportunities for meeting takeaways that provide excellent learning opportunities for others as well.

If you have any questions, please contact me at [grandpresident@lks.org](mailto:grandpresident@lks.org), or email our Headquarters at [lkshq@lks.org](mailto:lkshq@lks.org). We are happy to tell you more about LKS, our annual Convention and what our organization stands for.

Sincerely,

Lu Shawna Lawson, PharmD, MPA  
Grand President
