

Lambda Kappa Sigma
Elevating Women In Pharmacy

Spring 2024

Dear Preceptor,

I trust this message finds you well.

In your role as a Residency Program Director or Preceptor for Advanced/Introductory Pharmacy Practice Experiences, you undoubtedly recognize the paramount importance of fostering the growth and professional development of your residents and students. It is with this understanding that I reach out to you regarding the upcoming Lambda Kappa Sigma Convention, scheduled for July 24-27th, 2024, in Brookfield, WI.

As guardians of the future of pharmacy, it is crucial that we provide our residents and students with every opportunity to expand their horizons and cultivate the skills necessary for success in their careers. Attending our convention is not merely a chance for them to enjoy themselves; it is a strategic investment in their growth as leaders and healthcare professionals.

Throughout the convention, attendees will be immersed in a rich tapestry of programming designed to enhance their leadership abilities, foster personal development, keep them abreast of the latest therapeutic updates, and engage with critical global health issues. The experiences gained and connections forged at this event will undoubtedly set them on a trajectory towards future success.

I implore you to seriously consider their requests to attend this transformative event. Moreover, I encourage you to view their participation as an investment in the future of your program, as the insights and knowledge they acquire will undoubtedly enrich the learning environment for all.

Upon their return, I suggest that these members provide updates to your staff, sharing the valuable takeaways and learnings gleaned from the convention. Such insights not only benefit the attendees but also serve to elevate the collective knowledge and expertise of your entire team.

Should you have any inquiries or require further information about Lambda Kappa Sigma, our annual Convention, or our organization's mission and values, please do not hesitate to reach out to me directly at grandpresident@lks.org or contact our Headquarters at lkshq@lks.org. We stand ready to provide you with comprehensive insights into how our organization can support the growth and development of your residents and students.

Thank you for your attention to this matter, and I eagerly anticipate the opportunity to collaborate with you in nurturing the next generation of pharmacy leaders.

Sincerely,

Lu Shawna Lawson, PharmD, MPA
Grand President
Lambda Kappa Sigma
