

## Lambda Kappa Sigma Code of Conduct

“I believe in the sacred sovereignty of my sister over her own life. Therefore I will not trespass on her domain, or seek domination over her ideas or conduct in any way.”

*--from the LKS creed, written by Ruth Davies Flaherty*

I, \_\_\_\_\_ (name) member of Lambda Kappa Sigma do solemnly swear to abide by and uphold the Risk Management Policy and Guidelines, the Ritual, Fraternity bylaws, chapter bylaws, and the directives of the Grand Council and Executive Director of Lambda Kappa Sigma. Further, I will:

1. Respect the dignity of all persons; therefore, I will not physically, psychologically or sexually abuse or haze anyone.
2. Uphold personal financial responsibilities to Lambda Kappa Sigma.
3. Neither possess, sell, exchange, purchase or support the use of unauthorized prescription drugs or illegal substances: nor abuse or support the abuse of alcohol, legally prescribed prescription drugs or over the counter products.
4. Fully adhere to the Lambda Kappa Sigma Risk Management Policy.
5. Address Fraternity members who violate these fundamental obligations and promise to report violations to the appropriate officers of the Fraternity.
6. Abide by the rules and policies of the University/College for which the Chapter is affiliated/registered and all applicable laws of the state, province, county, and city.

I am committed to the ideals of Lambda Kappa Sigma International Professional Pharmacy Fraternity, and I fully realize and understand that my Fraternity affiliation and membership are dependent upon my actions, and in some cases, my failure to act. I also realize that my own violations of the principles, ideals and covenants set forth in this Code of Conduct may subject me to member review, suspension and/or expulsion from Lambda Kappa Sigma.
